At claim 11 line 3, change “description of elements and diffraction rings around the elements” (plural diffraction rings around each element) to --descriptions of elements and a diffraction ring[[s]] around each of the elements-- (singular diffraction ring around each element).

At claim 11 line 7, change “sidelobe inhibitors including guard rings therearound” (plural guard rings around each sidelobe inhibitor) to --sidelobe inhibitors including a guard ring[[s]] ~~therearound~~ around each of the sidelobe inhibitors-- (singular guard ring around each sidelobe inhibitor).

At claim 11 lines 13-14, change “when one or more of the mathematical descriptions of the sidelobe inhibitors including guard rings therearound creates” (includes one or more mathematical descriptions and plural guard rings around each sidelobe inhibitor) to --when ~~one or more of~~ the mathematical descriptions of the sidelobe inhibitors including the guard ring[[s]] ~~therearound creates~~ around each of the sidelobe inhibitors create-- (includes only plural mathematical descriptions and only a singular guard ring around each sidelobe inhibitor).

At claim 17 lines 1-2, change “wherein a radius of the diffraction ring” to --wherein [[a]] the radius of [[the]] each diffraction ring--.

At claim 19 line 4, change “calculating diffraction rings surrounding each of a plurality of elements, the diffraction rings” to --calculating a diffraction ring[[s]] surrounding each of a plurality of elements, each of the diffraction rings--.
